### GRADUATE SCHOLARSHIPS

#### Texas A&M University-Corpus Christi

Texas A&M University-Corpus Christi - College of Science and Technology offers a number of scholarships which recognize scholastic potential and achievement. College of S&T Graduate Scholarships are based on high academic (including research) achievements, educational objectives and goals, and an explanation of how this scholarship will help achieve educational objectives. College of Science and Technology Graduate Scholarships are competitively awarded following selection by the College Scholarships Committee. Award criteria vary from semester to semester and may differ from award criteria of the university General Scholarship Program. Eligible applicants must have a minimum GPA of 3.0 and be admitted to a graduate program in the College of Science and Technology at Texas A&M University-Corpus Christi. Awardees must comply with university enrollment requirements, or any other university requirements, to receive their scholarships.

### APPLICATION PROCEDURE

To apply for a scholarship, download and complete this attached Scholarship Application form as a Word document. Application forms and supporting essays must be typed. Only completed scholarship applications will be accepted. For priority consideration, applications must be received by March 15th for the Fall Semester; October 31st for the Spring and Summer Semesters. Applicants who cannot meet that deadline are still encouraged to apply, for applications received later will be considered as funds are available.
